Sharon Moon To Join CNN Radio's *The Price of Business* as Regular Contributor

HOUSTON, Texas — February 8, 2010. Sharon Moon, President of Automated Voice & Data Solutions, has joined the CNN Radio show —*The Price of Business*. As a regular monthly guest, Sharon will discuss timely topics such as contact center and business process automation; emerging technology and how it can help your company; IP-based telephony; and other relevant topics.

A recognized leader in the field of telecommunications, Sharon has participated as a leading innovator in the evolution of software-based communications. With over three decades in the industry, she is eager to share her *Deliberately Different* approach to business, "I have learned a lot about what telecommunications and technology can do to help every type of organization and I look forward to passing this along to our audience."

In addition to the monthly radio spots, Sharon will also be contributing bi-monthly articles to *HoustonBusinessDaily.com* website. Be sure to visit their website and subscribe to the RSS Feed to stay up to date with the latest articles.

For those of you who do not live in Houston, you are still able to listen to Sharon on *CNN 650* via the websites live feed on www.cnn650.com.

Sharon's first broadcast will be Thursday, February 11, at 11:15 AM CST.

About Automated Voice & Data Solutions

Founded in 1992 by Sharon Moon, Automated Voice & Data Solutions was a pioneer in the software-based communications industry. Over three decades later, AVDS is recognized as a leading provider of innovative communications solutions that deliver measurable results to government agencies, enterprises, and contact centers of all sizes. With software-based communications becoming the standard, Automated Voice & Data Solutions has the knowledge base & experience to deliver a tailor-made solution to fit any unique communication needs.

During the past year, AVDS has been honored as one of the *Top Telephony Companies in Houston* by the US Commerce Association. In addition, AVDS was listed on the Houston Business Journal's *FastTech 50*. Most recently, AVDS was presented with four awards from *DiversityBusiness.com*.
